

Attention for exporters availing government support
under Trade Policy initiative
“Assistance for Mandatory Certification”

Trade Policy 2005-06, announced an initiative “**Assistance for Mandatory Certification**”, which envisages 75% reimbursement to the exporters, of cost of product testing carried out from internationally accepted laboratories, if required by the importers.

Exporting establishments availing assistance under above Trade Policy initiative are requested to furnish their claims within 60 days of the export shipment, after which claims will be declared as time barred and will not be considered for reimbursement.
