

PUBLIC NOTICE

MATCHING GRANT FOR SETTING UP OF EFFLUENT TREATMENT PLANTS IN INDIVIDUAL TANNERIES

In order to facilitate tanneries for complying with international standards, Government of Pakistan, in the Trade Policy 2009-10, has announced matching grant for setting up of effluent treatment plants in individual tanneries.

Terms & Conditions

- a. Matching grant for installation of wastewater treatment plants will be for all existing units who are member of Pakistan Tanners Association (PTA). The matching grant will not include the cost of land and building or similar infrastructure.
- b. Tannery Units established before June 30, 2009 may be called Existing Units. Existing Units will be required to apply for and avail the grant within the period of Trade Policy 2009-12 along with completion report of the treatment plant and allied system (i.e. Chrome Recovery Plant, Dust Collectors and water flow meters).
- c. Existing Tannery Units will be entitled for availing the matching grant facility for setting up new individual treatment plants and for treatment plants under construction.
- d. Preference will be given to the units having annual exports of more than US \$ 3 million per annum for the last three years.
- e. Applicants will be entitled to apply for matching grant on completion of Effluent Treatment Plant. Applicant should submit following documents along with the application for matching grant:
 - ❖ Copy of Registration of firm or certificate or incorporation
 - ❖ Copy of NTN certificate
 - ❖ Copy of Tax Return of last 3 years
 - ❖ Export performance of last 3 years duly certified by bank
 - ❖ All details of plant including drawings and BOQs with their application for matching grant
 - ❖ Details of Treatment Plant installed / constructed with all details of mechanical equipment, motors, pumps and electrical equipment necessary for treatment plant such as D.O meters, pH meters.
- f. Partial payments against matching grant will be allowed on completion of following:
 - ❖ Chrome Recovery Plant
 - ❖ Primary Treatment Plant
 - ❖ Secondary Treatment Plant
