COST SHARING OF SETTING UP OF DESIGN CENTERS AND LABS IN THE INDIVIDUAL TANNERIES

Finished Leather is one of the major export products and an intermediate product in which substantial value addition can be achieved by adopting modern production processes and creating trendy finishes. To encourage tanneries to upgrade production and designing facilities, Government of Pakistan, in the Trade Policy 2009-12, has announced sharing 25% of financial cost of setting up of design centers and labs in the individual tanneries.

Procedure for Application

Exporters who wish to avail this assistance are requested to observe the following procedure:

- a. The exporter will submit the proposal regarding setting up of design center and labs to their respective associations, either Pakistan Leather Garments Manufacturers & Exporters Association (PLGMEA) or Pakistan Tanners Association (PTA). The association, after scrutinizing the proposal, will forward it to TDAP along with their recommendations.
- b. TDAP's funding will be on reimbursement basis.
