

ATTENTION LOCAL GOVERNMENTS

INSTALLATION OF FLAYING MACHINES IN ABATTOIRS / SLAUGHTERHOUSES OPERATED BY LOCAL GOVERNMENTS

For the improvement of supply chain of Leather Sector exports, there is an imminent need to introduce flaying machines in abattoirs operated by local governments as minimum of 25% hides and skins are estimated to be rendered useless from butcher cuts. In order to encourage the installation and use of flaying machines, Trade Policy 2009-10 envisages matching grants for installing the flaying machines in abattoirs/slaughterhouses operated by City/District/Tehsil/Town governments.

All local governments (City/District/Tehsil/Town) operating abattoirs/slaughterhouses are invited to send business proposal/working paper for the installation of flaying machines to TDAP latest by 31st October, 2009 at the following address:

Javed Anwar Khan

Director General

Trade Development Authority of Pakistan
MINISTRY OF COMMERCE
GOVERNMENT OF PAKISTAN
