

MODE OF SERVICE EXPORT

A service is exported when it is sold to a foreigner through one of the following modes:

- Mode 1 : Cross-border (e.g., via e-mail, Internet, courier)
- Mode 2 : To foreign visitors or foreign-owned businesses/offices in this country
- Mode 3 : Through an office your firm has established in a foreign country
- Mode 4 : By traveling to a foreign country (e.g., delivering a training workshop abroad)
