Exclusive to authorized trade visitors, the Expo takes place twice a year. The forthcoming third edition of the BANGLADESH DENIM EXPO will take place from November 11TH & 12TH, 2015.

CONNECTING INTERNATIONAL PLAYERS OF THE GLOBAL DENIM BUSINESS.

After two successful editions of the BANGLADESH DENIM EXPO in November 2014 and May 2015, the next show will even raise the bar with its new location - the brand-new Bashundhara Convention City in the hotel district of Dhaka, Bangladesh. In hall 4, on 38,000 square feet, more than 40 international denim mills, manufacturers and laundries from Italy, Germany, India, China, Japan and Bangladesh will present their trends and new developments to international denim experts and leading buyers.

SOURCING INSPIRATION: THE NEW TREND AREA FOR CREATIVE INNOVATIONS.

Creativity is key in the global denim business of today - that's why the BANGLADESH DENIM EXPO has put even more effort into its inspirational presentation of the new trends and developments. In the newly structured trend area, big walls will allow a quick overview over the most important trends and new sustainable denim solutions. A top-class seminar program will accompany the show with lectures from international experts in sustainable denim production.

THE NOVEMBER SEMINARS : MEET INTERNATIONAL LEADERS

During the two days of seminars, a group of international experts will address all aspects of sustainability, ecology and consciousness. From manufacturing to dyeing and wet-processing.
