**TRADE DEVELOPMENT AUTHORITY
OF PAKISTAN**

TDAP INTRODUCTION

Trade Development Authority of Pakistan is the premier trade promotion organization mandated to develop and promote products and services of the country in international markets. TDAP implements policies and directives of Federal Government and its Board of Directors for enhancing, promoting and facilitating trade.

TDAP supports and facilitates businesses through latest information and capacity building initiatives to enhance and improve their leverage in international trade.

To achieve its objectives, TDAP organizes as well as participates in local & international trade fairs, country specific exhibitions & trade delegations. It also conducts seminars and organizes contacts and information exchange events both physically as well as digitally.

This publication is part of the efforts of TDAP to share details and showcase Pakistan's products and services in international markets.

SECTOR PROFILE

Share of financial services in GDP of Pakistan is 3.6% in the year 2019-2020. Financial sector of Pakistan constitute banks, Development Finance Institutions (DFIs), Microfinance Banks (MFBs), Non-banking Finance Companies (NBFCs), insurance companies, Modarabas and other financial intermediaries.

Pakistan 's financial sector has indeed great future and potential because of the rising middle income population of 40 million, youth population size, high consumerism, opportunities to harness domestic savings and wealth generation, opportunities to enhance financial inclusion.

Pakistan had a major breakthrough in micro finance industry and branchless banking. The telecom and mobile operators are licensed and there has been growing initiatives recently for FinTech and affiliated technology, data services etc.

The export of financial services from Pakistan accounted for 91,000 US Thousand Dollars in the year 2019-20. Pakistan has a massive fintech opportunity with more than 100 million unbanked adult population and almost 3 million off-grid small businesses. (source: trademap. org)
