

PRE-EVENT PRESS RELEASE

Webinar on the “Exports of Construction Material to Qatar”

TDAP, Islamabad is organizing a Webinar on the exports of Construction Material to Qatar, in collaboration with the Trade & Investment division, Embassy of Pakistan, Doha, Qatar. Webinar will be held at 1500 hrs (PST)/1300 hrs (Qatar standard time) on 27th November 2020. The main purpose of the Webinar is to create awareness about the business environment of the Qatari market with respect to the Construction industry of Pakistan.

Mr. Muhammad Salman Ali, Trade & Investment Attaché, Embassy of Pakistan will give an overview of the construction sectoral analysis of the Qatari market and products in demand from the Pakistani construction industry which includes tiles, cement, paints, pipes, sanitary ware/fitting, steel, marble etc.

Key note speaker will include businessmen/exporters from Pakistan and Pakistani expatriates in Qatar.

The webinar is in continuation of TDAP’s strategy to create awareness about the potential exportable products of Pakistan to the world by deliberating the size of the foreign markets, future growth, predicaments in trade etc.
