

## **Meeting with KAADO on EDF Project**

A Meeting was held with KAADO on the EDF Project” Empowerment of SMEs/Artisans through E-Commerce Business Development and Export Quality Product Development in Gilgit Baltistan”.The on ground implementation strategy was discussed in detailed between TDAP Gilgit Office and KAADO Team led by CEO KAADO.The stage 1 shall include recruitment procedure starting from advertisement to the shortlisting, interviews by the panel and signing of the recruitment. The KAADO Office shall share with TDAP Office the required posts and their respective Job Descriptions. The stage 2 shall include conducting of baselines surveys to select the local artisans in different specialized industries. The teams shall be formulated, and the local well established channels like respective CCIs, AKRSP Offices and the VIOs shall be involved in this survey. The TORs of the teams shall be finalized in the coming month. The release of funds shall be awaited in the coming month after the KAADO and CCI Hunza share the consent letters of CCI GB and Nagar with the TDAP Office Islamabad. The TDAP Gilgit office and KAADO resolved to work together for the uplift of the local artisans and regions trade and export promotion.
