1. Introduction

I. Preamble

Tajikistan is a mountainous landlocked country with a total area of 142,550 km². It has common borders with other Central Asian Republics, including Kyrgyzstan and Uzbekistan, and with China, and Afghanistan. Its GDP stands at USD 8.19 bn (2020) with agriculture, mining, metal processing and services as the major contributors of the economy. With a population of 9.5 mn people, its per capita income is USD 1147, GDP per capita (PPP) is USD 3657.

Pakistan and Tajikistan share friendly relations. They are separated by a narrow strip of border called the Wakhan border and share close resemblance in their cultures, due to geographic proximity as well as common religion. Pakistan provides a potential transit route for Tajikistan to Arabian Sea and beyond, and also the shortest route. Moreover, Tajikistan is the entrance point for Pakistan into Central Asia and beyond towards Eastern Europe. Hence, both countries can find many opportunities in terms of economic and trade relationships.

Currently, Pakistan and Tajikistan do not have any trade agreement, however they can find trade opportunities in many sectors, including logistics, pharmaceuticals, agriculture and textile. Pakistan as the transit route for Tajikistan, has great potential in transport and logistic sector, providing an open field to bring in road shipping lines and building a competitive environment with better and efficient transit cargo services. Moreover, with cotton and yarn as one of the major exports of Tajikistan, textile sector offers an opportunity for joint ventures between the two countries, where Pakistan can provide its expertise in fashion industry and finished textile products. Pharmaceuticals is one of the major imports of Tajikistan, and Pakistan can explore it as an export market. Furthermore, as agriculture is one of the major contributors of Tajik economy, avenues for joint ventures, and opportunities for bilateral trade can be explored between the two countries.

Though, Tajikistan is a very small country in terms of population and GDP, however, it can be used as the starting point for Pakistan to enter the Central Asian Republics and Eastern Europe and explore the untapped markets for Pakistani products.

a. Tajikistan Trade Profile

Following tables explain the trade profile of Tajikistan.

Year	2016	2017	2018	2019	2020
Imports of Tajikistan	3031463	2774436	3144346	3327744	3139016
Exports of Tajikistan	899320	983826	1073858	1115850	1311879

Unit : US Dollar thousand

b. Pakistan – Tajikistan Trade Overview

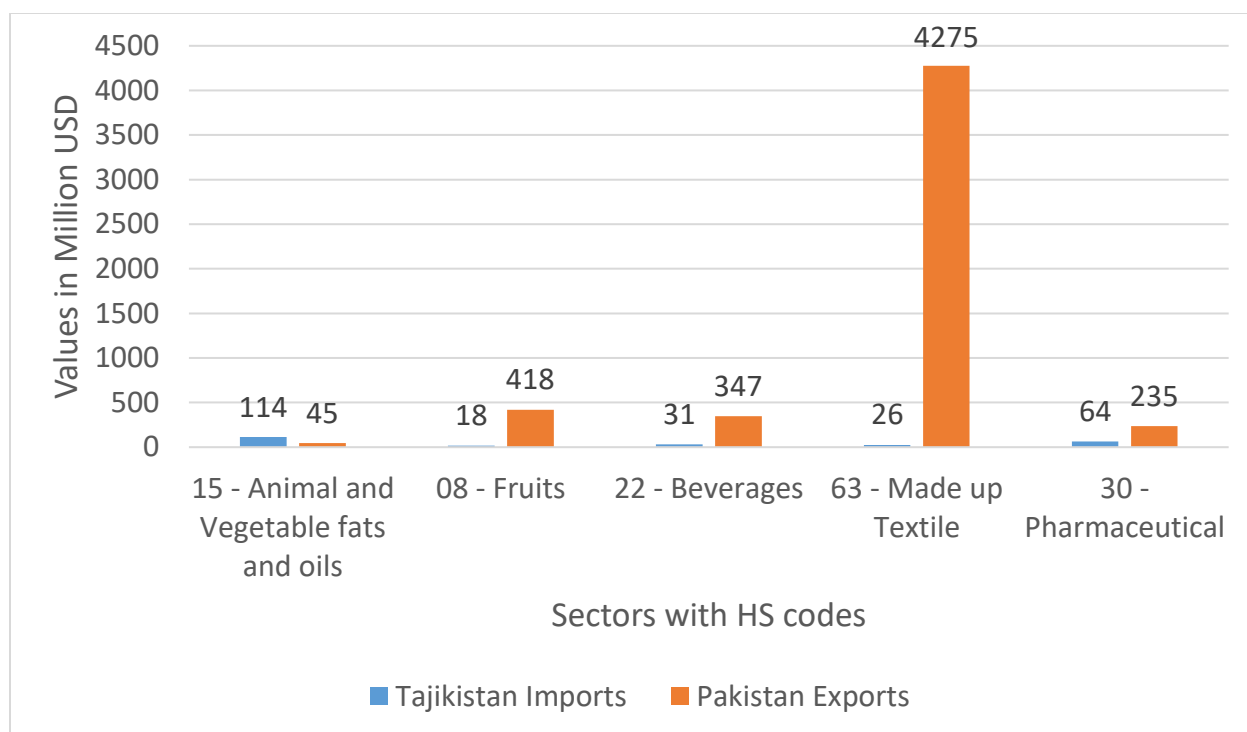

Following graph explains the trend of Imports and Exports of Pakistan to Tajikistan in the last five years.

Source: TradeMap

c. Potential Sectors of Exports

As per trade statistical analysis done on the basis of data from the Trade Map, pharmaceutical, food, and textile have come up as potential sectors of exports for Pakistan to Tajikistan. At the start of the activity, the mission in Dushanbe identified these same sectors along with logistics and mining as potential ones. Following graph explains Tajikistan's imports from the world and Pakistan's exports to the world in these potential sectors.

Source: TradeMap

d. Potential Sectors for JVs

As per the mission and after analyzing the ground realities, it has been found that there is a potential for Joint Ventures between Pakistan and Tajikistan in the following four sectors.

➤ Food Sector

- Installation of Processing Plants.
- Establishment of Cold storage chains.

➤ Textile Sector

- Establishment of vocational training institutes.
- Up-gradation of Tajik textile sector.

➤ Mining Sector

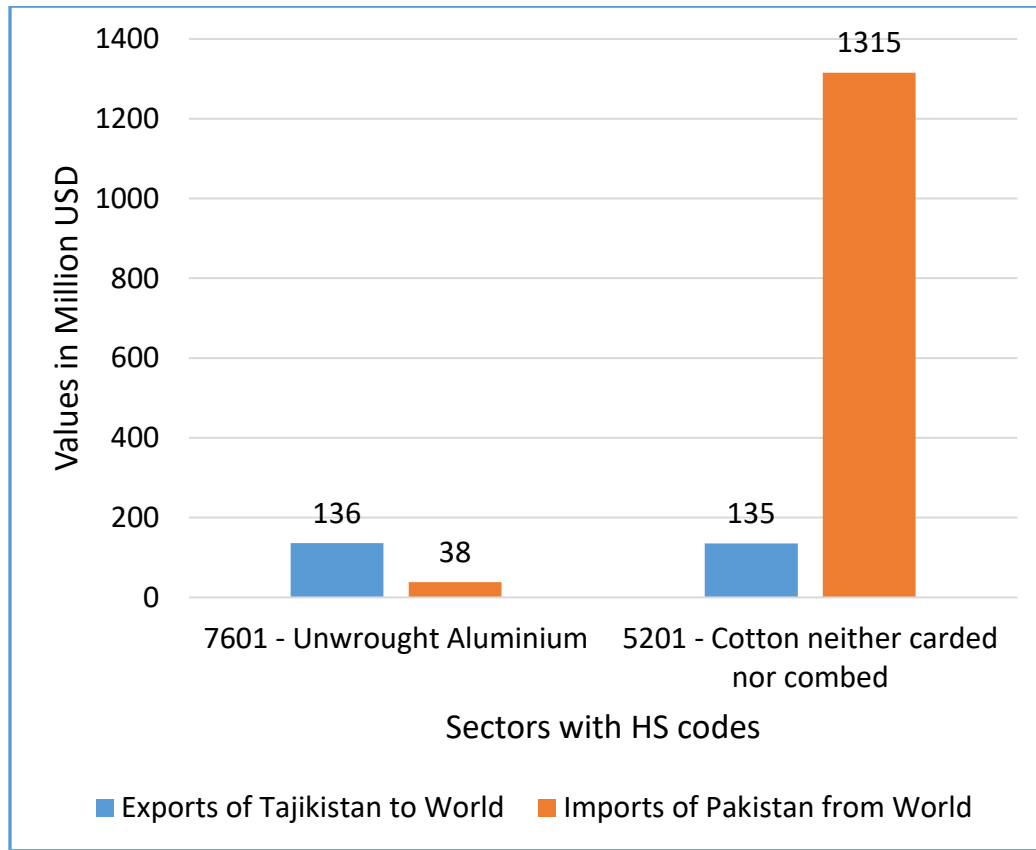

- Assistance in mining machinery and implements.
- Provision of labor force.

➤ Tourism Sector

- Developments of tourist sites in both countries.

e. Imports from Tajikistan for cost effectiveness

Pakistan imports many raw materials for the preparation of finished products that it ultimately exports. Pakistan imports raw cotton from the USA, Brazil, Mexico, Argentina and unwrought Aluminum from Saudi Arabia, UAE and China. However, these two items are among the top exports of Tajikistan. Following graph categorically explains it.

Source: TradeMap

II. Objectives of Pakistan Tajikistan Business Forum

Followings were the main objectives of the event:

- To explore Central Asian Markets, in general, and Tajikistan in particular as new export avenues for Pakistan.
- To facilitate Pakistani Business community to find new business and investment opportunities in Tajikistan.
- To provide a platform for JVs between Pakistani and Tajik Business community.

2. Pre-event activities

I. Budget Approval

The budget for the event was prepared and rationalized by TDAP ISD and after consent from TDAP HQs, it was approved by EDF.

II. Venue Management

Venue for the Business Forum was selected and managed by Tajikistan Government.

III. Products in focus & preparation of delegates list

The sectors & sub-sectors were identified by the mission in Dushanbe, as well as Product divisions of TDAP. Besides this Ministry of Commerce also identified potential companies for incorporation in the delegation. (The final list has been attached in annexure).

IV. Facilitation of Delegates

The facilitation to delegates was extended in the following areas:

a. Air ticket:

There was no direct flight from Islamabad to Dushanbe. The delegates had two options, either to travel by commercial flight or via charter flight arranged by TDAP. Considering time constraints and travelling issues, PIA charter flight was arranged by TDAP. Once the flight was arranged, TDAP managed all the payment receipts and coordinated with PIA for ticketing process. The tickets were shared with all delegates before departure.

b. Visa facilitation:

TDAP collected details of passports for Note-verbale (NV) of all the delegates to get visa which were then sent to Ministry of Commerce for issuance of NV to Tajikistan Embassy. Coordination was carried out with Tajik Embassy in ISD so as timely visas were issued. Other than that, all the delegates were communicated information regarding visa application process. Moreover, all the passports were collected by TDAP, submitted in Tajik Embassy and sent back to some delegates via courier after the visa endorsements. A few delegates also collected their passport at the airport from facilitation desk established by TDAP Islamabad.

c. Hotel facilitation:

Trade Mission shared a list of two hotels with TDAP which were shared with the delegates to book their hotel as per their choice and convenience.

V. Design & printing

- Designing of logo, theme, backdrops, and standees etc. and printing of B2B proforma was done by TDAP and shared with the Mission.
- A comprehensive booklet (in English as well as translated in Russian) showcasing major trade statistics and highlights of Pakistani foreign trade, investment and connectivity was developed keeping in view the products in focus. 200 copies of the booklets were printed and distributed later on among the Tajik delegates during the Conference and B2B session.
- A detailed directory of Pakistani delegates (in English as well as translated in Russian) was developed for information sharing with Tajik counterparts. 200 copies of the directories were printed and distributed later on among the Tajik companies during the Conference and B2B session.

3. Pakistan Tajikistan Business Forum (Dushanbe, September 16th)

I. Venue

Ministry of Commerce and Trade Development Authority of Pakistan organized Pak-Tajik Business Forum on 16th September, 2021 at Hyatt Regency, Dushanbe.

The event was divided into two main components:

- **B2B Meetings** - interactions of Pakistani delegates with Tajik buyers through dedicated collaborative endeavors (16th September, 2021)
- **Pakistan-Tajikistan Business Forum-Conference** (16th September, 2021)

II. B2B Session

There was a B2B matchmaking exercise between the businessmen of both countries on 16th September, 2021 before the Conference. The successful execution of B2B interaction was a result of well-planned and well-coordinated efforts of TDAP team and Commercial section of the Pakistan's mission in Tajikistan.

a. Leading sectors participating in B2B session

TDAP arranged business delegation comprising of 58 Pakistani companies including leading business representatives from textile, fruit and vegetables, pharmaceuticals, tourism, construction, mining, and logistics, etc. Moreover, representatives from leading trade bodies such as FPCCI, QCCI, CCCI and SCCI were part of the Pakistani delegation.

List of sectors from Pakistani side	
Sector	No of Exporters
Transport and Logistics	11
Pharmaceutical	12
Food sector	8
Tourism	2
Textile	9
Leather	2
Mining	4
Fans and Home Appliances	1
Construction	2
Handicraft	1

Trading	1
Others	5
Total Pakistani Exporters	58

The list of 248 Tajik businessmen was shared by Trade Mission (enclosed in annexure). The product officers were designated to prepare B2B schedules for their allocated sectors which were shared with all Pakistani delegates before departure. Also those sectors were identified where Pakistani delegates or Tajik buyers were not available for B2B interactions. The details of the Tajik buyers is reported in the table below. The registration process for Tajik companies was done by the mission staff. Name Tags were distributed among the Pakistani delegates by the Product Officers from TDAP.

List of sectors from Tajikistan side	
Sector	No of Exporters
Transport and Logistics	23
Pharmaceutical	44
Food sector	44
Tourism	43
Textile	47
Leather	7
Mining	16
Fans and Home Appliances	3
Construction	5
Handicraft	3
Trading	2
Others	11
Total Tajikistan Importers	248

b. Summary of B2B meetings between Pakistani and Tajik Businessmen

The response from both Tajik and Pakistani sides was encouraging as out of 248 delegates list shared by Trade Mission (Dushanbe) approximately 116 Tajik buyers attended the Business Forum. More than 800 business interactions took place between Pakistani exporters and Tajik buyers. Mission shared that the reason for companies who could not join was road blockages and diversions of traffic due to VVIP movements of SCO summit.

In addition to that, Pakistan's pharmaceutical, fruit and vegetable, textile, logistics, mining, construction companies also signed different agreements and MOUs related to trade, investment and joint ventures.

Following sectoral B2B meetings were held during Business Forum.

Sr. No.	Sectors	Pakistan Delegates	Tajik importers	No. of scheduled B2B meetings	Tajik companies showed up	Actual B2B interactions
1	Transport and Logistics	11	23	253	15	165
2	Pharmaceutical	12	44	528	18	216
3	Food sector	8	44	352	12	96
4	Tourism	2	43	86	6	12

10	Handicraft	1	3	3	1	1
11	Trading	1	2	2	2	2
12	Others	5	11	55	15	75
	Total	58	248	1793	116	823

c. Feedback of Pakistani Companies attending Business Forum And SWOT analysis of major Sectors

As per the feedback proforma shared with delegates during B2B meetings, following feedbacks were received.

i. Pharmaceutical Sector:

Sr. No.	Name of Company	Delegate Name	Feedback
1	Fedro Pharma	Junaid Altaf	Very fruitful meeting. I want to shift my plant here in Tajikistan
2	Bio Labs Pharma	Usman Shaukat	Product list to be revised. Only few pharma companies have showed up today.
3	Zafa Pharmaceutical	Dr Syed Qamar Ali	It is a good initiative by TDAP, MoC and Mission. Omer Bajwa has been very helpful.
4	Davis Pharma	Amanullah Sheikh	Satisfied with the arrangements done by government.
5	CCL Pharma	Syed Umair Maroof	Very fruitful interaction with Tajik Side.
6	SANTE Pharmaceutical	Tauqeer-ul-Haq	It was a productive session.
7	Maxitech Pharma	Nadir Hassan Khan	Overall organized very well. TDAP Miss Shumaila and Omer Bajwa well done. Other members of TDAP also good job.
8	Focus and Rulz pharma	Fazli Hanan	Good job. Follow-up will define future course
9	Friends pharmaceutical	Moh Talal Saleem	Overall experience is good.

SWOT Analysis:

Strengths

- 95 % of the total pharmaceutical demand is covered through imports.
- Huge demand of pharmaceutical products manufactured in Pakistan. For instance, products related to diabetes, blood purifier, disposable syringes and allergy.

Weaknesses

- Absence of transit trade agreement between Tajikistan, Afghanistan.

- Absence of direct cargo flights to Tajikistan.
- Absence of easy visa regime for foreign businessmen.
- Absence of banking channels for monetary transactions between business parties.

Opportunities

- Cost effective and less time consuming land route to Tajikistan for transportation of perishable products once logistics and transit trade agreement is in place.
- TIR convention between the two countries can further enhance and ease the trade.
- Trade to Tajikistan will open Eurasian region for Pakistani products.

Threats

- Loss of revenue/ foreign exchange due to absence of transit agreement between Pakistan and Tajikistan.
- Loss of origin identity of Pakistani products due to their exports under Afghanistan's customs.
- Non existing banking channels create opportunities for fraudulent activities and undocumented economic activities.

ii. Mining Sector:

Sr. No.	Name of Company	Delegate Name	Feedback
1	Coal and Minerals	Sardar Yahya Khan Nasir	It was a very good forum and we exchange our business ideas with Tajik side.
2	Wah Nobel Group	Brg. Shirazullah Ch	Excellent forum and we negotiated import of aluminum from Tylco and export of chemicals from Pakistan
3	Abdul Sattar Nasar and sons	Abdul Aziz Nasar	It was good. IA in future it will yield good results.
4	Al Rehman Coal Company	Mir Bahrose Hussain	Excellent. Business generation is expected.

SWOT Analysis:

Strengths

- Tajikistan is a mountainous – landlocked country. Pakistan can be the best route for Tajikistan to export its minerals.
- Aluminum ore is one of the major exports of Tajikistan.
- Availability of Tajik Coal will provide Pakistani industries a cost effective alternative for energy generation.

Weaknesses

- Absence of transit trade agreement between Tajikistan, Afghanistan, and Pakistan.
- Absence of direct cargo flights to Tajikistan.

- Absence of easy visa regime for foreign businessmen.
- Absence of banking channels for monetary transactions between business parties.

Opportunities

- Cost effective and less time consuming land route to Tajikistan for transportation of products once logistics and transit trade agreement is in place.
- There is growing demand of Aluminum in Pakistan's fan, cutlery and auto parts industry.
- TIR convention between the two countries can further enhance and ease the trade.

Threats

- Loss of revenue/ foreign exchange due to absence of transit agreement between Pakistan and Tajikistan.
- Loss of origin identity of Pakistani products due to their exports under Afghanistan's customs.
- Non existing banking channels create opportunities for fraudulent activities and undocumented economic activities.
- Volatile situation of Afghanistan.

iii. Textile Sector:

Sr. No.	Name of Company	Delegate Name	Feedback
1	Tania Collection	Talat Hafeez Khan	Thanks for the fantastic business event organized by TDAP and mission. I made good contacts. Will follow up that. It's all because of amazing hard work and dedication by officers
2	Sapphire Group	Tahir Mehmood Khan	I highly appreciate your efforts to successfully execute such a mega event. Congratulate to the entire TDAP team and the mission.
3	Afroze Textile	Bilal Alam Lari	The event was organized but couldn't make much out of it because Tajik textile sector is at developing stage. Good effort on the part of Ali Raza.
4	Royal textile	Zahid Shah	This was a wonderful event arranged by MoC and mission. The TDAP guys (Ali, Umer, Khushbakht) were very helpful and cooperative. This type of event should be arranged to promote trade with other neighboring countries.
5	Mushtaq Najeeb Traders	Mushtaq Najeeb Vohra	Very good initiative and very good organization of the event. Well done Pakistan embassy and trade mission in Dushanbe.
6	Gohar Textile	Gohar Mustafa	Excellent effort team TDAP and mission.

SWOT Analysis:

Strengths

- Tajikistan is an agrarian economy. They are producing cotton more than their local consumption.
- Tajikistan as a gateway to other Central Asian Republics and Eastern Europe. Pakistan can boost its textile export by entering into these markets.
- They are exporting cotton and yarn to the world at competitive prices.

Weaknesses

- No transit trade agreement between Tajikistan, Afghanistan, and Pakistan; hence E-form is not issued for exports to Tajikistan via Afghanistan land route.
- Absence of direct cargo flights to Tajikistan.
- Absence of easy visa regime for foreign businessmen.
- No Banking channels for monetary transactions between business parties.

Opportunities

- The weather pattern of two countries is very much same. Pakistan can launch its medium and high end brands into Tajikistan.
- Raw cotton and yarn can be imported into Pakistan at lower price.
- People follow same dress pattern in both countries with a slight change. Pakistan's fashion designer can easily tap this market.
- Joint ventures can be made with Tajik companies to operate their closed units.
- Employment opportunity is also there in textile sector. Most of the operating units are working at under capacity.
- TIR convention between the two countries can further enhance and ease the trade.
- Cost effective and less time consuming land route to Tajikistan for transportation of perishable products once logistics and transit trade agreement is in place.

Threats

- Loss of revenue/ foreign exchange due to absence of transit agreement between Pakistan and Tajikistan.
- Loss of origin identity of Pakistani products due to their exports under Afghanistan's customs.
- Non existing banking channels creates opportunities for fraudulent activities and undocumented economic activities.

iv. *Leather Sector:*

Sr. No.	Name of Company	Delegate Name	Feedback
1	Askari Shoes	Kamran Aslam	Excellent arrangements by TDAP, MoC, Mission
2	Kumail Gloves Industries	Qamar Munir	Impressed by the arrangements done by mission and TDAP officers. Good work

v. Food Sector:

Sr. No.	Name of company	Delegate Name	Feedback
1	M/sFruiti Fresh Pvt.Ltd	Saqib Rauf	It was Good. Awaiting for the result. When TIR will start in our sector. Hopping to get good results.
2	Roshan traders	Khalid Ejaz	Need road link for smooth business.
3	Kakar Traders	Muhammad Akhtar Khakar	Excellent arrangement. Such delegations should be arranged. Baluchistan should be included. TDAP has worked wonderfully. Khushbakht, Ali , Omer did a great job.
4	Iftekhhar Ahmed & Co	Waheed Ahmed	Need more focus on industry of beverages and super stores.
5	Aryana Company	Abdur Rahim	Excellent work
6	Fresh Fru	Muhammad Shehzad Sheikh	Nice arrangement by TDAP. Good work done by Kushbakht Asif.
7	Al- Rafique Enterprises	Muhammad Riaz	Transportation and payment should be the addressing issues.

SWOT analysis:

Strengths

- Mangoes and Mandarins (citrus products) are not produce in Tajikistan, but are highly demanded by the locals.
- Potatoes are one of the major vegetables imported by Tajikistan, and major vegetable exported from Pakistan.
- Comparatively better food processing industry of Pakistan.

Weaknesses

- No transit trade agreement between Tajikistan, Afghanistan, and Pakistan; hence E-form is not issued for exports to Tajikistan via Afghanistan land route.
- Absence of direct cargo flights to Tajikistan.
- Absence of easy visa regime for foreign businessmen.
- No Banking channels for monetary transactions between business parties.
- Absence of Reefer trucks for transportation of perishable food items.

Opportunities

- Demand for Pakistani Fruits and Vegetables, especially Kinnow, Mango, and Potato.
- Demand for packaged foods, such as fruit beverages, dairy cream, milk, etc. for the retail sector.
- Demand for edible vegetable oils, and seed oils.
- Cost effective and less time consuming land route to Tajikistan for transportation of perishable products once logistics and transit trade agreement is in place.
- TIR convention between the two countries can further enhance and ease the trade.

Threats

- Loss of revenue/ foreign exchange due to absence of transit agreement between Pakistan and Tajikistan.
- Loss of origin identity of Pakistani products due to their exports under Afghanistan's customs.
- Non existing banking channels create opportunities for fraudulent activities and undocumented economic activities.

vi. Transport and Logistics Sector:

Sr. No.	Name of Company	Delegate Name	Feedback
1	Natonal Logistics cell	Usman Mansoor	Tajik partners are reluctant to commit anything due to afghan situation in coming days. However they are eager to boost trade with Pakistan.
2	Yaseen Transport Co(Pvt) Ltd.	Mr. Fojan	The meeting was very fruitful. I found an importer who was interested to import 100 tons of some herb of medicinal value. Business generated from this is exceptional.
3	Pyramid Logistics	Mr. Yaqoob Sheikh	We must tap markets of CAR's.
4	Best trans Private limited	Ramiz Ali Rabbani	MoC should continue such events in Europe also.
5	MM Elahi Traders	Manzoor sheikh Elahi	Transit agreement needed.

SWOT Analysis:

Strengths

- Pakistan offers shortest transit land route to deep water sea port for Tajikistan and other Central Asian Republics.
- Tajikistan as a gateway to other Central Asian Republics and East Europe for trade through land routes.

Weaknesses

- Non-inclusion of Tajikistan under WeBOC module for transit trade from Pakistan via Afghanistan.
- No Banking channels for monetary transactions between business parties.
- Logistic services being provided under Afghani consignee due to absence of transit agreement.

Opportunities

- High demand for the logistic services as CPEC connects Central Asia to Pakistan's sea ports.
- Creation of employment and job opportunities once logistics services are streamlined.
- Cost effective and competitive logistic services due to high potential for investments.

Threats

- Loss of revenue/ foreign exchange due to absence of transit agreement between Pakistan and Tajikistan.
- Loss of origin identity of Pakistani products due to their exports under Afghanistan's customs.
- Non existing banking channels create opportunities for fraudulent activities and undocumented economic activities.
- Loss of potential investment in the sector due to absence of transit trade agreement and Afghanistan's volatile political situation.

vii. Construction Sector:

Sr. No.	Name of company	Delegate name	Feedback
1	AIMTECH Builders	Maj. Abdul shahkoo Shab	Joint Business council carried out in excellent manner. Arrangement and coordination was done marvelously by Ali Raza
2	Kingdom Valley	Gulam Hussain Shahid	Good work

d. Business highlights

- More than 800 business meetings took place and approximately US\$ 20 million agreements/deals were signed during the event. Other discussions are going on to finalize business deals.
- 16 MOUs were signed on 16th September, 2021. Other business deals are in process of finalization.

e. Testimonials of Pakistani Delegates

Sr. No.	Company	Testimonial
1	President APMMA	I would like to thank the entire team of, TDAP, for arranging such a wonderful and fruitful Trip to Tajikistan. We can work in future together for many great opportunities. And please do let us know for any future upcoming delegation. I would once again thank TDAP And specially BAJWA Saab For his lovely hospitality for us .
2	CCL Pharma	Please accept our sincere gratitude on arranging a mission of such high potential market. We all need to take this as stepping stone and foundation is laid down. Now in my humble opinion following could be the way forward: 1- Industry specific targets need to be set for exports: Like Taj Pharma market is of 250M \$ which is 95% dependent on exports, now we need to set 3- and 5-years plan that how much market share we can capture from this. 2- And more importantly what would be the role of Embassy, Pharmaceutical companies and TDAP in achieving above target. Otherwise, if certain financial objectives won't be achieved, then these type of events will eventually lose its importance. In the end, Mr. Bajwa & TDAP team a lot of power and prayers to you.
3	Davis Pharmaceuticals	Mr Omer Bajwa and team with pleasure I would like to express my gratitude for organizing such a successful event in Tajikistan which was well coordinated and adequately arranged specifically the arrangement of B2B meetings was extraordinary and precise, you did your part well and now it's our turn to take benefit of that and grab some foreign exchange for the state so acknowledging your work I must appreciate you, your team and the staff of Pakistan embassy in Dushanbe for arranging an effective event Well done keep it up you all deserve accolade !!!
4	Royal Textile	This was a wonderful event arranged by MoC and mission. The TDAP guys (Ali, Umer, Khushbakht) were very helpful and cooperative. This type of event should be arranged to promote trade with other neighboring countries.
5	Mushtaq Najeeb Vohra (Trader)	Very good initiative and very good organization of the event. Well done Pakistan embassy and trade mission in Dushanbe.
6	Focus & Rulz pharmaceuticals	Salam to all it was a wonderful trip The best part was to meet good people from Pakistan both private sector and government officials I think we should have more of such meetings and delegations because I have been in export and it is not a one day match but a test match and needs long term consistency
7	National Logistics Cells	Tajik partners are reluctant to commit anything due to uncertain Afghan transit forecast in coming weeks. However, they are eager and interested to boost transit trade and bilateral trade with Pakistan and established contacts for future usage.
8	Pyramid Logistics	A good initiative. We must tap markets of CARs.
9	Best Transports	Government should continue such events in Europe also.
10	Maxitech Pharma	Alhumdulillah it was worthy trip in terms of event management that was properly done by TDAP & really thankful to Ministry of commerce especially Ma'am Maria Qazi for deep analysis. We will definitely work as a key player in such markets & generate foreign exchange. Hoping continuation of such valuable events in future for Pakistan industry.
11	Iftexhar & Co.	Need more focus on industries of beverages and super stores.
12	Al-Rafique Enterprises	Such delegations should be formed in the future as well where facilitations are provided for air traveling, accommodations, B2B sessions, it saves time and energy of the business men. 2-3 extra days are suggested for follow-up meetings after B2B. Moreover, Government needs to work on establishing transportations lines via road (better connectivity) and payment arrangements should be established through formal banking channels. Connectivity can be improved through introducing Pakistan China Shipping Corporation, Reefer trucks under TIR convention, trade in Pakistani Rupee and Tajik Somoni, etc.
13	Tania Collection	Thanks for the fantastic business event organized by TDAP and mission. I made good contacts. Will follow up that. It's all because of amazing hard work and dedication by officers.
14	Sapphire Group	I highly appreciate your efforts to successfully execute such a mega event. Congratulate to the entire TDAP team and the mission.
15	Askari Shoes	Responsibility of MoC/TDAP is to arrange such events in terms of conceptual Dynamics with the Other country, Logistics of move of Delegates and of B2B meetings. I think MoC/TDAP has done their best. Rest is destiny, and how delegates understand Dynamics and operate with Patience. ..As our Honorable Prime Minister said here that "hiccups are known on both sides, perseverance will lead us to PTA".

III. Pakistan – Tajikistan Business Forum – Conference (16th September, 2021)

a. Program of Conference

- Registration of participants.
- Speech by the Deputy Prime Minister of Republic of Tajikistan
- Speech by the Adviser to the Prime Minister on Commerce and Investment of the Islamic Republic of Pakistan Mr. Abdul Razak Dawood
- Presentation by Mr. Jamil Qureshi, Director General (Investment Promotion) Board of Investment, Government of Pakistan.
- Signing ceremony of MOUs.
- Speech by the Prime Minister of Islamic Republic of Pakistan H.E Mr. Imran Khan.
- Q&A session.

b. Summary of Business Forum-Conference

Pakistan-Tajikistan Business Forum- Conference started with a welcome note from Tajik host, followed by a speech from Advisor to PM on Commerce and Investment, Mr. Razzak Dawood, endorsing economic integration of Pakistan and Tajikistan as a step towards regional integration and creation of a Win-Win situation for both countries. The speech of Mr. Dawood was followed by a presentation by BOI representative, who highlighted the potential sectors of Pakistan for investments, as well as joint ventures between the two countries.

After BOI's presentation, Deputy Prime Minister of Republic of Tajikistan gave a presentation on Trade and Economy of Tajikistan, identifying potential sectors where Pakistan can find opportunities for trade and economic partnership. Following this speech was the MoU signing ceremony between Pakistan and Tajik Companies.

The Honorable Prime Minister of Islamic Republic of Pakistan, Mr. Imran Khan arrived at the venue after the signing of MoUs, and gave an elaborate speech on the economic cooperation between the two countries and facilitation of business delegates from both sides to enhance their bilateral trade.

The PM's speech was followed by a Question & Answer session, where business men from both sides expressed their gratitude and highlighted the current issues and challenges for trade between Pakistan and Tajikistan which needs to be addressed.

c. Distribution of Promotional Material

Promotional material developed by TDAP was distributed among the Tajik delegates. Following items were included in the promotional material

- Pakistan-Tajikistan Trade potential booklet
- Delegates Directory

d. Status of MOUs/Contracts signed

28	Textile	Afroze Textile Mills	LLC Ganj	Contract under process	

4. Sideline Activities

I. Visits to Textile and Leather factories

- Visit to textile and leather factories was arranged by the mission on 15th September, 2021. The purpose was primarily to give our textile and leather delegates an idea about Tajik textile sector.
- Visit of three textile factories (Vahdat textile, Toj textile, Ganj textile) and one leather factory (Poyafzoli charm) was arranged for the delegates.
- Response from delegates was good as this visit gave them an idea what they can trade with Tajik companies.

II. Meeting with the Tajikistan's Ministry of Industries

- Selected delegates from mining, pharmaceutical and textile sectors had meeting with Deputy Minister of Industries, Tajikistan.
- Delegates presented their concerns regarding transportation, banking channels and availability of technical work force.
- Deputy Minister assured complete collaboration and addressal of issues highlighted by Pakistani delegates.

5. Management Teams

Two teams, TDAP Facilitation Team and TDAP B2B Team, were formed in the event led by the Director General TDAP.

I. TDAP Facilitation Team

This team was responsible for visa, air ticket and hotel facilitation of delegates.

TDAP Facilitation Team was comprised of following officers:

Name	Designation
Ms. Sadia Khan	Deputy Director, TDAP
Mr. Omer Hussan Bajwa	Assistant Director, TDAP (Mineral & Engineering)
Mr. Ali Raza	Assistant Director, TDAP (Textile & Leather)
Ms. Khushbakht Asif	Assistant Director, TDAP (Agro & Services)

II. TDAP B2B Team

B2B Secretariat was established to ensure smooth and effective facilitation and coordination of B2B meetings between the Tajikistan buyers with Pakistani delegates and with Chambers /Associations.

TDAP B2B team comprised of the following officers:

Name	Designation
Dr. Shumaila Sikandar	Deputy Director, TDAP
Mr. Omer Hussan Bajwa	Assistant Director, TDAP (Mineral & Engineering)
Mr. Ali Raza	Assistant Director, TDAP (Textile & Leather)
Ms. Khushbakht Asif	Assistant Director, TDAP (Agro & Services)

Product officers coordinated with the businessmen of Pakistan and Tajikistan buyers for successful interactions on 16th September, 2021 and subsequently follow up meetings and visits/ MoUs on 15th and 17th September, 2021.

III. Transportation Team

Mr. Rashid Imtiaz, Trade and Investment Officer, Tajikistan was managing Transport. Coasters and buses were hired to pick delegates from airport to hotel and hotel to Conference area (Hayatt Regency). Pakistani delegates staying at two hotels (Atlas Hotel, Serena Hotel) were facilitated by Transportation Team on Event Days for pick & drop and also to airport for departure from Dushanbe.

6. Suggestions by delegations and Learnings / Recommendation

I. Suggestions by Delegations

- Establishment of Formal Banking channels between the two countries to streamline monetary transactions.
- Initiation of direct cargo flights from Pakistan to Dushanbe to reduce transportation cost.
- Logistics arrangement under TIR convention between two countries to facilitate movement of goods and reduce transportation cost.

II. Learning / Recommendations

- B2B Matchmaking Sessions and Business Forum may not coincide with other major events in the Host Country, such as SCO Summit in Dushanbe in the current visit.
- Allocation of separate halls for B2B sessions and Business Forum.
- Separate Q&A Session for Host country and Pakistani Delegates
- Well defined SOP's for Q & A session in order to avoid any untoward situations.
- Inclusion of all sectors in allied activities (Visits, meetings, etc.)

7. Conclusion

Pakistan-Tajikistan Business forum is one of the many steps taken so far towards regional integration and paving way for Pakistan to enter Central Asian and East European markets. It has proved to be fruitful in terms of market study for new destinations, exploring potential for the Pakistani products in Tajik market, and enhancing economic relations with a brotherly nation. Owing to well-coordinated team efforts and proactive management strategies, conclusion of more than 25 MoUs and contracts on the first visit of the delegates is a healthy sign for building of economic ties between the two nations. Great potential has been witnessed in pharmaceutical, logistics, food, textile and mining sector. Tajikistan is a small market in terms of demand and consumption patterns. Its total population is smaller than the population of major cities of Pakistan. Tapping a smaller market may not enhance Pakistan's exports to a great level, however, it can offer opportunity for market diversification and an entrance point to other Central Asian Republics and East Europe. Trade environment, such as visa facilitation, establishment of banking channels, conclusion of transit trade agreement, etc. between the two countries should be improved on priority basis.

8. Follow-up

Following activities are suggested to be carried out as a follow-up of the event.

- Product Specific Webinars/ B2Bs may be organized. In these webinars, respective Product officer to not only invite companies that participated in the event from Pakistani side but also leading companies of the sector who could not join the delegation and potential companies from Tajik side.
- Product specific Tajik Delegation may be invited to Visit Pakistan as a follow up to the Webinar and Virtual B2B meetings
- Single Country Exhibition to be organized in the 1st week of March. It will be designed as B2C Component.
