Engineering & Minerals Division

1. Cutlery and Cookware (Faisal Zaman)

S.#	Date	Type (Webinar or B2B)	Topic	Stakeholders	Expected Result
1	Jul 2022	We webinar/se minar	Ho How to produce quality products	Man manufacturer/ Exporter community	TTh The webinar will help the manufacturers in shaping the their production side of the product as per quality sta sandards
2	Sept 2022	We webinar/se minar	Bui Building up role of e-commerce in the export arena	Man manufacturer/ Exporter community	This This activity will help the business community in their capacity building in respect of e-commerce activity
3	Nov 2022	B2 B2B	Pak Pak cutlery/cookware stakeholders B2B with their counterparts abroad. Provision of the foreign counterpart for the business community will be decided	Manmanufacturer/ Exporter community	The Pak business side will understand the foreign need with regard to the product side

			later in consultation with relevant country TIO.		
4	Jan 2023	Web webinar/se minar	Exp Export related sector problems	Manmanufacturer/ Exporter community	With With the mutual discussion on the topic will unveil the export related sector problems
5	Mar 2023	B2B B2B	B2B B2B proposed with one of the leading export destination of the sector product	Manmanufacturer/ Exporter community	Wo Would help in further opening up business Avenues for the exporter community
6	May 2023	Web webinar/se minar	H How to make linkages with the foreign buyers	Manmanufacturer/ Exporter community	Th This activity will help in creating awareness among the the business community with regard to developing linkages with the foreign buyers
7	Jun 2023	Web webinar	Export Proposals by Trad Bodies	ManTrade/ Associat ion/manufacturers/ Exporter community	Th Role of Trade Bodies in the export promotion Activities will be highlighted

2. Agriculture Machinery and Implements (Kashmala Omer)

S.#	Date	Type (Webinar or B2B)	Topic	Stakeholders	Expected Result
1	Jul 2022	Webinar	Webinar on export Potential of Agricultural Machinery to ASEAN	Trade Missions in South East Asia	To inform exporters about market dynamics of ASEAN especially Vietnam, Philippines, Malaysia and Indonesia
2	Aug 2022	Webinar	Standardization of Designs of Agricultural Implements – Scope and Challenges	Engineering Development Board, Agricultural Implements Manufacturers	To highlight the need for standardization and its impact on exports of the industry
3	Sep 2022	B2B	Follow up B2B session with South East Asian Countries	Trade Missions, Exporters of Agricultural Machinery	To build contacts between companies and to materialize export contracts between them
4	Oct 2022	Webinar/B2B	Export Potential of Agriculture Machinery to Bangladesh	Trade Mission Bangladesh	To expand business outreach in Bangladesh

5	Nov 2022	B2B	Matchmaking session with African countries	Trade Missions Exporters of Agricultural Machinery	To secure export contracts in major markets
6	Dec 2022	Webinar	Challenges in Exports of Agricultural Machinery to Afghanistan	Trade Mission, Exporters	To understand major roadblocks in exports to Afghanistan including banking channels, customs rules and transit trade issues
7	Jan 2023	Webinar	Export Potential of Agricultural Machinery to Gulf Countries	Trade Missions/ Exporters	To inform exporters about market dynamics of Gulf countries not least the tariff structure and NTBs in place
8	Feb 2023	B2B	Follow up B2B session with Gulf countries	Trade Missions, Exporters	To build contacts between companies and to materialize export contracts between them
9	Mar 2023	Webinar	Exploring opportunities of Joint Ventures in Africa	Trade Missions, Top African companies, Exporters	To follow the lead of our competitors to maximize presence in Africa

3.Safety Equipment (Ali Umar Tipu)

<u>S.#</u>	<u>Date</u>	<u>Type (Webinar or B2B)</u>	<u>Topic</u>	<u>Stakeholders</u>	<u>Expected Result</u>
1	July-2022	Visit or Webinar (As per approval and arrangement)	Problem identification meeting regarding safety equipment and safety wear sector.	TDAP, Leading safety exporters and association.	Deep understanding of issues related to safety equipment exporters.
2	Aug-2022	Webinar	Webinar about Exploring opportunities regarding safety equipment sector in USA	TDAP, TIOs, safety exporters	Tapping the American market for the sector.
3	Sep-2022	Webinar	Webinar about Exploring opportunities regarding safety equipment sector in Canada	TIOs, TDAP, Prominent exporters of safety equipment	Exploration of possibilities of more trade in the relevant sector
4	Oct- 2022	Webinar	Webinar about Exploring opportunities regarding safety equipment in Germany	TDAP, TIOs, Safety manufacturers.	Tapping German Market for safety equipment

5	Nov-2022	Webinar	Securing opportunities regarding safety equipment in Poland	TDAP, TIOs, Safety manufacturers.	Secure export contracts for safety and safety wear sector
6	Dec-2022	Webinar	Webinar about Exploring opportunities regarding safety equipment sector in Scandinavian Market	TDAP, TIOs, Safety manufacturers.	Tapping Scandinavian markets for the sector.
7	Jan- 2023	Webinar	Securing opportunities regarding glass sector in Sri Lanka and Bangladesh	TDAP, TIOs, Safety manufacturers.	Secure export contracts for the Safety Sector.
8	Feb - 2023	Webinar	Securing opportunities regarding safety equipment sector in Italy	TDAP, TIOs, Safety manufacturers.	Secure export contracts for safety equipment and safety wear sector.
9	Mar - 2023	Webinar	Identification of market opportunities in Saudi Arabia	TIOs, TDAP, Exporters	Securing more share in the target market.
10	Apr- 2023	B2B Interaction	Securing opportunities regarding Safety equipment sector in France	TDAP, TIOs, Safety manufacturers.	Secure export contracts for Safety Equipment Sector

11	May - 2023	B2B Interaction	Securing opportunities regarding safety equipment sector in South East Asian Market	TDAP, TIOs, Safety manufacturers.	Secure export contracts for safety equipment and safety wear sector.
12	Jun - 2023	Webinar	Securing export opportunities for safety equipment sector in Turkey	TIOs, TDAP, Prominent exporters of the sector	Introduction of safety equipment sector in Turkey Markets

4. Electrical Machinery (Malik Ismail Haider)

S.#	Proposed date/month	WEBINARS	Main Stakeholders	Expected Results
1	8 th Jul 2022	Webinar on 'Export of Electric Machinery to Qatar'	Our TIO in Qatar may be organized a Webinar between trade regulatory bodies , buyers of Qatar and PPEMMA, FPCCI, LCCI, in collaboration with E&M Division for facilitating our exporters to export their products in Qatar market which is a potential market for Pumps & Electric motors, Transformers , Electric cables and Generators in the region	The activity may be helpful to understand the policies of importing countries and will create opportunities for our exporters of electric machinery to export their products in a focused potential market.

2	13 th Sep 2022	Webinar on 'Export of Electric Machinery to U.A.E'	Our TIO in Dubai, U.A.E may be organized a Webinar between trade regulatory bodies , buyers of U.A.E and PPEMMA, FPCCI, LCCI, in collaboration with E&M Division for facilitating our exporters to export their products in U.A.E market which is a potential market for Pumps & Electric motors, Transformers , Electric cables and Generators in the region.	The activity may be helpful to understand the policies of importing countries and will create opportunities for our exporters of electric machinery to export their products in a focused potential market.
3	9 th Nov 2022	Webinar on 'Export of Electric Machinery to Senegal'	Our TIO in Senegal may be organized a Webinar between trade regulatory bodies , buyers of Senegal and PPEMMA, FPCCI,LCCI, in collaboration with E&M Division for facilitating our exporters to export their products in Senegal market which is a potential market for Pumps & Electric motors, Transformers , Electric cables and Generators in the region.	The activity may be helpful to understand the policies of importing countries and will create opportunities for our exporters of electric machinery to export their products in a focused potential market.
4	10 th Jan 2023	Webinar on 'Export of Electric Machinery to Sri Lanka'	Our TIO in Tunisia may be organized a Webinar between trade regulatory bodies , buyers of Sri Lanka and PPEMMA, FPCCI.LCCI, in collaboration with E&M Division for facilitating our exporters to export their products in Sri Lanka market which is a potential market for Pumps & Electric motors, Transformers , Electric cables and Generators in the region.	The activity may be helpful to understand the policies of importing countries and will create opportunities for our exporters of electric machinery to export their products in a focused potential market.

5	8th Feb 2023	Webinar on 'Export of Electric Machinery to Vietnam'	Our TIO in Vietnam may be organized a Webinar between trade regulatory bodies , buyers of Sri Lanka and PPEMMA, FPCCI, LCCI, in collaboration with E&M Division for facilitating our exporters to export their products in Sri Lanka market which is a potential market for Pumps & Electric motors, Transformers , Electric cables and Generators in the region.	The activity may be helpful to understand the policies of importing countries and will create opportunities for our exporters of electric machinery to export their products in focused potential markets.
6	14th Mar 2023	Webinar on 'Export of Electric Machinery to Kenya'	Our TIO in Kenya may be organized a Webinar between trade regulatory bodies , buyers of Kenya and PPEMMA, FPCCI, LCCI, in collaboration with E&M Division for facilitating our exporters to export their products in Kenya market which is a potential market for Pumps & Electric motors, Transformers , Electric cables and Generators in the region.	The activity may be helpful to understand the policies of importing countries and will create opportunities for our exporters of electric machinery to export their products in a focused potential market.
7	11th May 2023	Webinar on 'Export of Electric Machinery to Kazakhstan'	Our TIO in Kazakhstan may be organized a Webinar between trade regulatory bodies , buyers of Kazakhstan and PPEMMA, FPCCI.LCCI, in collaboration with E&M Division for facilitating our exporters to export their products in Kazakhstan market which is a potential market for Pumps & Electric motors, Transformers , Electric cables and Generators in the region..	The activity may be helpful to understand the policies of importing countries and will create opportunities for our exporters of electric machinery to export their products in a focused potential market.

5.Marble (Fakeha Faiz)

S.#	Date	Type (Webinar or B2B)	Topic	Stakeholders	Expected Result
1	19-06-2022	B2B	With Kenyan marble importers	TIC Nairobi, Pakistani marble companies, interested Kenyan buyers	Generate potential export business
2	09-08-22	Webinar	Exploring the potential of South African market for Pakistan's marble sector	TIC Johannesburg, marble sector stakeholders	Creating awareness regarding market dynamics, tariff and non-tariff barriers and other factors in the South African market for Pakistan's exports
3	19-09-22	Webinar	Exploring the potential of the Australian market for marble exports	Consul General Trade and Investment, Sydney, marble sector stakeholders	Creating awareness regarding market dynamics, tariff and non-tariff barriers and other factors in the Australian market for Pakistan's exports

4	15-11-22	Webinar	Exploring the potential of the Moroccan market for marble exports	TIC Casablanca, marble sector stakeholders	Creating awareness regarding market dynamics, tariff and non-tariff barriers and other factors in the Moroccan market for Pakistan's exports
5	15-01-23	Webinar	Understanding the market of Sudan for marble exports of Pakistan	TIC Khartoum, marble sector stakeholders	Creating awareness regarding market dynamics, tariff and non-tariff barriers and other factors in the Sudanese market for Pakistan's exports
6	15-02-23	Webinar	Potential of Nigerian market for Pakistan's marble exports	Relevant TIC and marble sector stakeholders	Creating awareness regarding market dynamics, tariff and non-tariff barriers and other factors in the Nigerian market for Pakistan's exports
7	15-03-23	B2B	As suggested by marble sector stakeholders	---	---

8	16-04-23	B2B	As suggested by marble sector stakeholders	---	---
9	15-05-23	B2B	As suggested by marble sector stakeholders	---	---

6.Rubber (Zain ul Abdin)

S.#	Date	Type (Webinar or B2B)	Topic	Stakeholders	Expected Result
1	6th Jul 2022	Webinar	Problem Identification meeting regarding Rubber and Tyre Sector in Afghanistan	TDAP,TIOs, Pakistan Rubber/Tyre Major Exporters	Afghanistan Border has been opened for Trade so that increase in rubber products expected especially in tyres
2	7th Sep ,2022	Webinar	Problem Identification meeting regarding Rubber and Tyre Sector in Turkey	TDAP,TIOs, Pakistan Rubber/Tyre Major Exporters	Turkey is a potential market for small Automotive rubber parts and tyres due to decrease in covid cases and

					in visa normalization increase in exports is estimated.
3	8th Nov,2022	Webinar	Problem Identification meeting regarding Rubber and Tyre Sector in Brazil	TDAP,TIOs, Pakistan Rubber/Tyre Major Exporter	Problem identification to secure more share in Brazil Market
4	9th Jan 2023	Webinar	Problem Identification meeting regarding Rubber and Tyre Sector in Egypt	TDAP,TIOs, Pakistan Rubber/Tyre Major Exporters	Egypt is a potential African market for tyres and automotive rubber parts and exports.
5	6th Mar 2023	Webinar	Problem Identification meeting regarding Rubber and Tyre Sector in Malaysia	TDAP,TIOs, Pakistan Rubber/Tyre Major Exporters	Malaysia is a Major rubber importing market in the world. It's a best time and a potential market for an ample exports to Malaysia

6	2nd May2023	Webinar	Problem Identification meeting regarding Rubber and Tyre Sector in Germany	TDAP TIOs, Pakistan Rubber/Tyre Major Exporter	Pakistan rubber exports constant increasing to Germany since couple of years.
