

PAKISTAN SAFETY EQUIPMENTS

**TRADE DEVELOPMENT AUTHORITY
OF PAKISTAN**

TDAP INTRODUCTION

Trade Development Authority of Pakistan is the premier trade promotion organization mandated to develop and promote products and services of the country in international markets.

TDAP implements policies and directives of Federal Government and its Board of Directors for enhancing, promoting and facilitating trade.

TDAP supports and facilitates businesses through latest information and capacity building initiatives to enhance and improve their leverage in international trade.

To achieve its objectives, TDAP organizes as well as participates in local & international trade fairs, country specific exhibitions, trade delegations, conducts seminars and organizes contacts and information

exchange events both physically as well on digital platforms.

This publication is part of the efforts of TDAP to share details and showcase Pakistan's products and services in international markets.

PRODUCT PROFILE

There are a wide range of safety equipments in Pakistan like industrial safety equipments, safety equipments related to Medical Industry and safety appliances in fire protection industry and Pakistan is a major importer of Fire & Safety Products, Crossing the import by **1 Billion US Dollars**. The demand is growing further. The Government along with private sectors has an aim to bring in latest technologies in Pakistan to ensure the safety of the Country. The import of these products will thus continue to **increase** in future.
