

Job Description Graphic Designer

1. Develop creative designs for promotional materials, reports, presentations, social media, and digital content that align with TDAP's branding.
2. Work closely with the marketing team to conceptualize and execute design projects that meet strategic goals.
3. Ensure consistency in design across all platforms and materials, adhering to TDAP's branding guidelines.
4. Stay updated on design trends and technologies to keep TDAP's visuals contemporary and relevant.
5. Revise designs based on feedback from stakeholders to ensure final outputs meet expectations and objectives.
6. Assist in creating visual content for videos and other multimedia presentations.
7. Prepare files for print production and liaise with printers to ensure quality output.
