Pakistan Engages in Talks on Global Climate Carbon Border Tax

At a high-profile conference in Paris, Pakistan's delegation—led by Ambassador H.E. Mumtaz Zahra Baloch—actively contributed to discussions on the Carbon Border Adjustment Mechanism (CBAM). The event, hosted by the French government, aimed at addressing carbon leakage while strengthening international climate action.

Pakistan's IT Sector Shines at LEAP 2025 in Riyadh

With 22 Pakistani companies sponsored by TDAP and PSEB, and 82 visiting firms, LEAP 2025 saw Pakistan making waves in Saudi Arabia's IT sector. A networking dinner with 400+ attendees reinforced business ties, while Pakistan's pavilion received strong recognition, highlighting the nation's growing tech capabilities

Pakistan Takes Center Stage at Intersec 2025 in Dubai

Eight leading Pakistani companies showcased top-tier security, safety, and fire protection solutions at Intersec 2025. The Pakistan Pavilion, inaugurated by Consul General H.E. Hussain Muhammad, highlighted the country's expanding role in the global safety sector.

Pakistan's Motorcycle Gear Gains Global Attention at AIMExpo 2025

TDAP and the Trade & Investment Section in Los Angeles facilitated the participation of 14 Pakistani companies at AIMExpo 2025 in Las Vegas, strengthening trade ties with the North American powersports industry.

Pakistan Pavilion at Gulfood 2025 at Dubai

February 17, 2025:

Pakistan's Ambassador to the UAE, Faisal Niaz Tirmizi, inaugurated the Pakistan Pavilion at the 30th edition of Gulfood 2025, held at the Dubai World Trade Centre from February 17-21. The global food and beverage trade exhibition features over 5,500 exhibitors from 129 countries, providing a key platform for international trade and investment. Consul General Hussain Muhammad and Trade & Investment Counselor Ali Zeb Khan were also present at the inauguration.

Under the Trade Development Authority of Pakistan (TDAP), 45 Pakistani companies are participating in the event, presenting a diverse range of agro-based products, including rice, cereals, meat, dairy, spices, cheese, processed foods, bakery items, salt, herbal products, honey, horticulture, juices, and beverages. Additionally, over 200 Pakistani companies are exhibiting privately, reflecting Pakistan's increasing footprint in the global food market.

Ambassador Tirmizi highlighted Pakistan's growing presence at Gulfood, stating, "It is a matter of great pride that 45 companies under TDAP, along with 200 privately participating firms, are showcasing their products at this prestigious event. Our stalls have been strategically designed and located to attract both local and global buyers, generating significant interest in key exports such as basmati rice, spices, pink salt, and cheese."

He further emphasized the steady rise in Pakistan's agro-based exports, particularly to the MENA region, and underscored the UAE's role as a crucial trading partner. "Gulfood provides an unparalleled platform for collaboration and innovation, enabling Pakistani exporters to expand their business through networking, knowledge exchange, and partnerships with global industry leaders," he added.

Trade & Investment Counselor Ali Zeb Khan noted that Pakistan's agri-food exports reached \$8 billion in FY24, marking a 37% increase compared to the previous year, driven by a surge in the exports of rice, maize, sesame, meat, edible fruits, and vegetables.

Supporting the exhibitors, Pakistan Business Council Dubai Chairman Shabbir Merchant reaffirmed the council's commitment to promoting Pakistani products in the UAE and beyond. Malik Faisal Jehangir, Chairman of the Rice Exporters Association of Pakistan (REAP), expressed gratitude to Ambassador Tirmizi and the Commercial Section in Dubai for their support, which has been instrumental in enhancing Pakistan's participation in major global trade events like Gulfood.

Pakistan's robust presence at Gulfood 2025 underscores its expanding role in international food exports and strengthens trade ties with key global markets.

Pakistan Pavilion at Gulfood 2025 at Dubai,

February 18, 2025:

Mr. Athar Hussain Khokhar, Director General (Agro Division) of the Trade Development Authority of Pakistan (TDAP) Karachi, visited the Pakistan Pavilion on the second day of Gulfood 2025 at the Dubai World Trade Centre. He was accompanied by Trade & Investment Counselor Ali Zeb Khan, who briefed him on the pavilion's stall locations, layout and design, media coverage, B2B engagements, and a networking event jointly hosted by the Pakistan Mission and TDAP at the Pakistan Association Dubai.

During his visit, Mr. Khokhar toured each stall and engaged directly with exhibitors. The 45 Pakistani companies participating under TDAP expressed their satisfaction with the event's arrangements and

commended the Commercial Section for its assistance and facilitation. Exhibitors reported strong interest from local, regional, and global buyers in key Pakistani exports, including rice, cereals, dairy products, spices, cheese, processed foods, bakery items, salt, juices, and beverages.

In addition to visiting the Pakistan Pavilion, Mr. Khokhar toured pavilions of other countries and met with private exhibitors to promote FoodAg 2025, Pakistan's flagship food and agriculture exhibition, scheduled to take place from September 1-4, 2025.

Pakistan's active participation at Gulfood 2025 continues to strengthen its global trade presence and highlight its expanding agro-based exports.

Pakistan-UAE Trade Conference @Gulfood 2025 held in Dubai

Dubai, February 19, 2025:

The Commercial Section, in collaboration with the Trade Development Authority of Pakistan (TDAP), hosted the Pakistan-United UAE Conference 2025 at the Pakistan Association Dubai. The event brought together international

delegates, buyers, distributors, Pakistani exhibitors participating in Gulfood 2025, and key stakeholders from the food and beverage sector.

The conference was attended by Pakistan's Ambassador to the UAE, Faisal Niaz Tirmizi, along with the Consul General, senior officials from the Pakistan Consulate, and representatives from other consulates. Serving as a platform to strengthen

bilateral trade ties, the event highlighted Pakistan's export potential in agro-based products and fostered business-to-business (B2B) partnerships between Pakistani and UAE businesses.

Trade and Investment Counselor Ali Zeb Khan extended invitations to diplomats and business delegations from the USA, Egypt, Iran, Sri Lanka, Bangladesh, Peru, Nigeria, China, and the UAE for productive interactions, business matchmaking, and B2B engagements with Pakistani exhibitors.

In his opening remarks, Ali Zeb Khan welcomed the attendees and emphasized the conference's objective of creating networking opportunities to explore collaborative ventures. He highlighted the importance of such initiatives in enhancing trade relations and unlocking new avenues for economic cooperation.

Delivering the keynote address, Ambassador Faisal Niaz Tirmizi underscored the UAE's position as one of Pakistan's strategic trade partners and a leading market for Pakistani agro-based products. He noted the consistent growth in Pakistan's exports to the UAE, stating, "The UAE is one of the oldest and most reliable markets for Pakistani products."

TDAP Director General Athar Hussain Khokhar highlighted the diverse range of Pakistani agro-based products and their increasing demand in international markets. He reaffirmed TDAP's commitment to supporting exporters and facilitating trade initiatives.

Malik Faisal Jehangir, Chairman of the Rice Exporters Association of Pakistan (REAP), also addressed the audience, emphasizing the role of such conferences in strengthening partnerships with UAE-based businesses and expanding market opportunities.

The Pakistan-United UAE Conference 2025 served as a pivotal event in reinforcing Pakistan's trade footprint in the UAE, promoting business collaborations, and positioning the country as a key player in the global food and beverage industry.

TDAP & British Deputy High Commission Discuss Trade Expansion

TDAP Secretary, Sheryar Taj met with Deputy Head of Mission Martin Dawson to explore new avenues for Pakistan-UK trade. Discussions revolved around enhancing market access, sustainable trade, and innovation, strengthening economic ties between the two nations.

\$12M Blockchain Investment: Explorer Bees & FibeX Seal the Deal

A game-changing MoU between Explorer Bees (Pvt.) and FibeX (Pvt.) Ltd. brings a \$12 million investment to Pakistan's blockchain ecosystem. With an initial \$1.25 million infusion, the project will roll out in three phases, accelerating the country's digital transformation.

Empowering Women in STEM: TDAP & BlueNet Plus Champion Climate Action

Marking the International Day of Women and Girls in Science, TDAP and BlueNet Plus hosted a seminar on climate change, gender equality, and innovation. With participation from key stakeholders, the event underscored the role of women in shaping a sustainable future.

TDAP Hosts IT-Enabled Exports Startups Competition (PIXS)

The Trade Development Authority of Pakistan (TDAP) marked a key milestone with the national finale of the Pakistan IT-Enabled Exports Startups Competition (PIXS) on February 25, 2025. Held at a historic venue, the event reinforced the government's commitment to Pakistan's growing IT sector and showcased TDAP's efforts to support mid-stage startups through structured acceleration, enhanced market access, and global trade linkages.

PIXS recognized promising enterprises set to benefit from international trade exposure, targeted training programs, and a year-long co-working space, equipping them for global expansion. By fostering innovation and supporting emerging tech ventures, TDAP continues to drive Pakistan's IT-enabled export sector toward new opportunities on the world stage.

TDAP's Inaugural FoodAg Manufacturing Event Concludes Successfully

The Trade Development Authority of Pakistan (TDAP) successfully hosted the first-ever FoodAg Manufacturing event, marking a major milestone for Pakistan's food and agricultural manufacturing sector. Over three days, the event drew 35 international exhibitors from China, South Korea, Turkey, and Italy, alongside 107 national companies. Key highlights included the South Korea Pavilion with 17 companies, the China Pavilion featuring 13 food technology innovators, and the PHDEC Pavilion showcasing 50 agro-food enterprises.

The event served as a hub for cutting-edge technology, strategic networking, and business partnerships, with high-level B2B meetings, insightful seminars, and panel discussions driving meaningful industry dialogue. Multiple Memorandums of Understanding (MOUs) were signed between Pakistani and international companies, paving the way for future collaborations.

TDAP played a pivotal role in connecting local manufacturers with global stakeholders, reinforcing Pakistan's position as an emerging player in industrial and technological innovation. With a strong foundation laid, FoodAg Manufacturing has set a new benchmark for trade exhibitions in Pakistan, promising continued growth and international market integration.

WEXNET 2025 Mentorship Program: Empowering Women Entrepreneurs for Global Markets:

Following the success of WEXNET 2025, TDAP and REMIT hosted an exclusive Post WEXNET Mentorship Event at The Nishat Hotel, Lahore, bringing together Pakistan's top 25 women entrepreneurs with industry leaders.

The session featured insights from:

Mr. Hamed Yaqoob Sheikh (REMIT)

Structured mentorship for export success

Mr. Sheryar Taj (TDAP Secretary)

TDAP's dedication to women-led enterprises

Mr. Faiz Ahmad Chadhar (TDAP CEO)

Commitment to sustained mentorship

A certificate distribution ceremony recognized top exhibitors, while a networking luncheon facilitated new business collaborations.

TDAP & FPCCI

Join Forces to Supercharge Exports and Investment

In a bid to transform Pakistan's trade and investment landscape, TDAP Chief Executive Faiz Ahmad Chadhar and DG Punjab Rafia Syed visited FPCCI's Regional Head Office, engaging with business leaders on key trade challenges. TDAP's vision now extends beyond delegations and exhibitions, focusing on strategic export growth in high-potential sectors like textiles, agro-food, and renewable

energy. FPCCI praised TDAP's proactive approach, setting the stage for stronger trade collaboration

TDAP & LCCI Strategize for Trade Growth & Market Expansion

During a visit to the Lahore Chamber of Commerce & Industry (LCCI), CE TDAP Faiz Ahmad Chadhar tackled key trade issues like visa facilitation, ASEAN and African market expansion, and tariff reductions. The session reinforced a collaborative approach to strengthening Pakistan's trade ecosystem.

Pakistan Travel Mart 2025: A New Era for Sustainable Tourism

Co-hosted by TDAP, PTM 2025 in Karachi spotlighted sustainable tourism, bringing together industry leaders, government boards, and international partners like Emirates Airlines. The event, continuing in Islamabad, cements Pakistan's status as an emerging travel destination.

TDAP & UNWTO Strengthen Ties for Tourism & Services Export Growth

During Pakistan Travel Mart, TDAP's DG Rafia Syed met UNWTO's Harry Hwang to explore strategies for integrating tourism into Pakistan's broader trade development plans, reinforcing global market linkages.

Sialkot Dry Port Gets a Major Upgrade to Boost Trade Logistics

A modernized warehouse and advanced cargo-handling equipment at Sialkot Dry Port are set to enhance Pakistan's export supply chain. The project, backed by the Ministry of Commerce and EDF, strengthens the city's global trade connections.

TDAP Launches Exporters Training Program in KP

Under the National Exporters Training Programme, TDAP's first session in Mardan equipped businesses with insights on export processes, trade facilitation, and global market expansion.

Cultural Diplomacy in Action: TDAP & WCLA Host Uzbek & Tajik Diplomats in Lahore

Diplomatic families explored Lahore's rich heritage through a cultural tour organized by TDAP and WCLA, featuring a Rangeela Rickshaw ride, visits to historic sites, and a deep dive into Pakistan's vibrant tourism potential.

Uzbekistan Showcases Top Industries at 'Made in Uzbekistan' Expo in Lahore

The first-ever Uzbekistan Single Country Exhibition in Lahore, inaugurated by Uzbek Deputy Minister Khurram Teshbaev and TDAP's Faiz Ahmad Chadhar, brought together top businesses from textiles, machinery, agriculture, IT, and construction.

Pakistan-Australia Business Council Delegation Explores Trade Opportunities in Sialkot

The Directorate General Punjab-II, Trade Development Authority of Pakistan (TDAP) Sialkot, facilitated a meeting between the Pakistan Australia Business Council (PABC) delegation and the Sialkot Chamber of Commerce & Industry (SCCI) to explore avenues for strengthening bilateral trade and investment between Pakistan and Australia.

The PABC delegation, led by President Iftikhar Rana, included Hon. Shaoquett Moselmane (Former Assistant President, Legislative Council NSW), Mr. Nadeem Khan, and Mr. Aurangzeb Rana, representing the real estate, education, and meat sectors. They were warmly welcomed by Mr. Ikram-ul-Haq, President of SCCI, along with Vice President Mr. Omer Khalid and members of the SCCI Executive Committee.

During the meeting, the SCCI president highlighted Sialkot's industrial significance, emphasizing the city's reputation as a key global supplier of sports goods, surgical instruments, medical equipment, leather garments, gloves, and sportswear to renowned international brands. He underscored the city's contribution to geographically diverse markets and its potential for further growth.

The discussions focused on investment opportunities in real estate across Pakistan, Australia, and Dubai, as well as collaboration in the education and IT sectors. A key agenda item was strengthening institutional ties between PABC and SCCI to foster business matchmaking and joint ventures, unlocking opportunities in the Australian market. The PABC delegation expressed its full support for Sialkot's export-oriented industries, pledging to connect local businesses with potential Australian buyers and provide guidance on market-specific compliance requirements.

The delegates expressed their appreciation for TDAP's role in facilitating the meeting and reaffirmed their commitment to fostering trade ties between the two countries. TDAP continues to play a crucial role in connecting Pakistani businesses with international markets, reinforcing global trade linkages, and creating opportunities for sustainable economic growth.

The visit marks an important step towards deeper commercial collaboration, paving the way for enhanced economic engagement between Pakistan and Australia.

Visit of Chinese Trade Delegation to Explore Trade and Investment Opportunities

A 14-member Chinese trade delegation visited the Trade Development Authority of Pakistan (TDAP) Lahore on February 19, 2025, to explore potential business collaborations in building materials, real estate, and auto parts.

The delegation, comprising representatives from Chinese enterprises, was welcomed by Ms. Hina Gul, Director TDAP, who provided a brief overview of TDAP's role in facilitating trade and investment. Mr. Omer Bajwa, Deputy Director TDAP, delivered a comprehensive presentation outlining key opportunities for collaboration in Pakistan's engineering sector, particularly in construction materials.

The visiting delegation was also invited to participate in the 4th Edition of the Health, Engineering, and Minerals Show 2025, scheduled to take place in April 2025, offering a platform to strengthen trade partnerships between Pakistan and China further.

TDAP Lahore Hosts U.S. Consul General, H.E. Kristin K.

The discussions focused on enhancing bilateral trade and investment, with TDAP highlighting key areas for collaboration, including tourism, IT and e-commerce services, logistics, and construction. Workforce development to strengthen capacity for the U.S. market was also discussed, along with agricultural exports, particularly in seed development and trade. Additionally, TDAP emphasized the need for facilitating visas for Pakistani exhibitors participating in U.S.-based trade shows.

Ms. Rafia Syed outlined TDAP's ongoing trade promotion initiatives, inviting U.S. businesses to participate in key flagship events such as the FoodAg Manufacturing Show, the Healthcare, Engineering & Minerals Show (HEMS), and the Pakistan IT-enabled Exports Startups (PIXS) Competition.

Both sides reaffirmed their commitment to strengthening trade ties and fostering future collaboration. As a token of appreciation, CE TDAP and DG Punjab presented Consul General Hawkins with a traditional ethnic shawl and a porcelain tile featuring Lahore's iconic UNESCO World Heritage Site, Badshahi Mosque.

Strengthening Partnerships for Textile Sector Growth

Chief Executive of the Trade Development Authority of Pakistan (TDAP), Mr. Faiz Ahmad Chaddar, accompanied by Director General TDAP, Ms. Rafia Syed, visited the All Pakistan Textile Mills Association (APTMA) Lahore office today, where they were warmly received by APTMA Patron-in-Chief, Mr. Gohar Ijaz, Chairman Mr. Kamran Arshad, and senior members, including Mr. Asad Shafi.

During the meeting, APTMA members congratulated Mr. Chaddar on his appointment as CE TDAP, followed by a detailed discussion on the challenges and future potential of Pakistan's textile sector. It was noted that textile exports for FY 2023-24 stood at \$16.7 billion, contributing 60% of the country's total goods exports of \$30.64 billion. However, the sector has witnessed a decline in exports from \$19 billion to \$16.7 billion, primarily due to high input costs and an unfavorable tax regime.

Mr. Chaddar assured APTMA of TDAP's full support in addressing these challenges and highlighted that Pakistan's total exports for FY 2024-25 are projected to reach \$32 to \$34 billion. The discussion also focused on long-term strategies, including the Brand Pakistan marketing initiative, which Mr. Gohar Ijaz emphasized as a key driver to boost textile exports to \$100 billion. Additionally, the plan to establish 1,000 garment factories with young entrepreneurs was explored as a means to increase exports to \$50 billion.

The meeting concluded with a symbolic exchange of shields between Mr. Chaddar and Mr. Ijaz, reaffirming a mutual commitment to strengthening Pakistan's textile industry. With a shared vision for growth and innovation, this engagement marks a significant step toward revitalizing the sector and enhancing its global footprint.
