2. In addition to the 27 EU Member States listed above, REX-registered exporters are also authorized to issue a "Statement on Origin" for Norway, Switzerland, and Turkey. Furthermore, a separate system is in use under which exporters themselves issue the Certificate of Origin for the UK; for this, please refer to the download "UK-DCTS Scheme as Applicable to Pakistan" available on this web page. Accordingly, except for the EU, Norway, Switzerland, Turkey, and the UK, Certificates of Origin (Form-A) for all other GSP (Generalized System of Preferences) schemes are issued only by TDAP as the sole competent authority in Pakistan.

Text for the "Statement on Origin": The following is the prescribed text that REX-registered exporters in Pakistan **must** use when issuing a "Statement on Origin" for the EU Member States, Norway, Switzerland, and Turkey. Any deviation from the prescribed text given below could lead to a verification request and/or denial of preferential treatment by the customs authorities of the importing country in the EU, Norway, Switzerland, or Turkey.

"The exporter **...** [**REX No.**] of the products covered by this document declares that, except where otherwise clearly indicated, these products are of Pakistan preferential origin according to rules of origin of the Generalized System of Preferences of the **European Union*** and that the origin criterion met is …….. (P; or W+HS Heading, e.g. W '9618')".

***** For further details on the "text" of the SOO, please refer to Annex-2 of the document "REX Operational Guide" (placed on this web page under "Downloads").

In the case of exports to Norway, Switzerland, or Turkey, please write Norway, Switzerland, or Turkey, as the case may be, in place of **European Union**.
